OUR SPIRITUAL CHALLENGE

1. How are you being changed by Jesus?
2. How are you being discipled and who are you discipling?
3. When and where are you experiencing life-giving biblical community?
4. Who are the lost people you're praying for and having gospel conversations with?
5. What is breaking your heart in the world and what are you doing about it?

OUR DNA

1. The central importance of the Bible as our source of authority and our focus for preaching, teaching, and equipping
2. Christ-exalting, intergenerational, blended worship that focuses on the big idea of the biblical text rather than style
3. Everybody in a group: disciples who multiply disciples
4. Gifts-based, every-member ministry
5. Church multiplication as a kingdom priority
6. Acts 1:8 mission partnerships that bring hope for the world
7. A strong relationship between the home and church that encourages all home types, equips them for disciple-making, and strengthens biblical marriages
8. Developing healthy and strong leaders for the church and the kingdom
9. Caring well for our members and the community
10. Excellent stewardship of God's resources through healthy and adaptable systems and structures

OUR KEY INITIATIVES

1. DxD Strategy | Gospel Conversations

Equip campus champions through comprehensive training to lead gospel conversation labs, completing two labs per campus. Cultivate a culture of prayer by mobilizing members to pray for at least one lost person by name.

2. DxD Strategy | Groups

Grow small group leadership by 10% per campus while achieving 100% participation of small group leaders in the Generosity Initiative curriculum.

3. DxD Strategy | Go

Mobilize 800 people to participate in mission journeys while building a pipeline to identify and develop future global workers.

4. DxD Strategy | Gather

Cultivate a culture of hospitality through campus-specific strategies that empower members to welcome visitors and increase guest retention.

5. DxD Strategy | Giving

Implement a generosity initiative to guide members toward 100% engagement in our 5-year vision, as evidenced by growth in overall giving and giving units.

6. Resourcing the Vision

Resource the generosity initiative by developing stewardship materials that equip campuses to implement the generosity initiative.
